Everest Closing the Circle. Interestingly, Long was also a member of another of the most famous climbs in the valley, the first free ascent of the East Face of Washington Column, which was renamed Astroman after the ascent. Evident and inspiring throughout are his love for climbing and for life-even amidst the loss of friends and promising young proteges.

Notriviaorquizzes. While he obviously pushed himself to the top of some of the world's tallest and most difficult peaks, since his near fall on Mount Index in Washington he remained a more conservative climber not willing to trade his life for any mountain summit. Life is either a daring adventure or. When it comes down to dying, Lou says, "I want to know what it is like to have really lived.
