The page 25 simply ended my relationship with the book after several moments of "Maybe she has a good reason for saying this". We were born to make manifest the glory of God within us. There is much more to A Womans Worth.

But there's another side to the Hillary question [What question was that? It's Williamson believes that we have lost this nature in our present society as all predominant mechanisms are based in the male essence that still prevades in our relationships today. A woman's worth is the totality of who she is. The brief, emotional section on abortion made me want to hurl the book across the room. The book was given to me years ago, and somehow it survived moving house. Each decade creates more choice, extending the realm of who we are and what we can be in the world.
