It situates Freud's Schreber text within the evolution of his
thought on psychosis, and, as a new element, it highlights his
isolating a developmental fixation at infantile narcissism as
the decisive moment in his aetiological chain. Deleuze, Sense,
Verb, Schreber: Another sub-theme of the book is the extent to
which his Schreber text aetiology has been accepted by
psychoanalysts. GoogleScholarMedline. At the same time he does
homage to a remarkable opus which was the object of these
labours, that of a madman who, in his delirium and suffering,
had enough humanism to leave to the savants a unique document
made for their enlightenment. Psychiatry and Psychotherapy in
