For other uses, see Medellín disambiguation. To accomplish this, priority was given to the construction of the line. By a decree of the municipal government, between 1950 and 1955 all developments or tall buildings necessarily included a sculpture of a famous artist. The first line opened two years later than planned in 1953 and a second in 1955. After the initial program another five libraries were added to the plan for the study by Charles H.
