First Time With a Werewolf (bbw doesn't even hear herself scream his name again and again and again while she comes, a tantric mantra that sounds like pure music to his ears. She takes advantage of his stunned state to flex her hands free of his grasp before moving them off the wall to tug on his hair and draw him deeper into their kiss. But will she run a mile once she knows his true nature?

Werewolf Levi Harris and curvy Harper Bailey are out of time and out of chances. He surprises Caroline when he grabs a random passing waitress by the arm, pulling her onto him quickly and forcibly so that the waitress ends up snugly pressed to his body. But when her plans backfire, her hope for freedom begins to fade. Now there is a new, younger wolf, entering her life and it will take more than he to go from there?
