This book was really mysterious and unlike any other book that I have ever read! The names are so different like some books will have twin names Carey and Mary but this book has Sigrid and Sigurd! Although rid of his nasty uncles, Peer still has Troll Mill work through some of the experiences and feelings he Troll Mill while under his uncles' cruel reign.

Bulletin of the Center for Children's Books. This is Langrish's second book in her "Troll" series. A sequel I actually liked! But the other thing I like besides the visuals is the sweep of Troll Mill, the similes, especially - Troll Mill by Katherine Langrish. I think I might actually like it a teeny bit more than Troll Fell!
