Langston Hughes said that Zora Neale Hurston was the only person he knew who could stand on the corner of th Street and Lenox with a pair of callipers in her hand and persuade strangers to stop so she could measure their heads. And in his published account, not only were the women who shared a box with him strangers, they were attending the first performance. Jun20,Christinerateditdidnotlikeit. The dinner between the two didn't come off they never met. And the way she said Spanish meant something.
