This little book just offers that, in a very plain way, which makes it even easier to use. My German vocabulary is a bit limited, but thanks to this guide and the examples it gives, my understanding of German grammar is more advanced than the level of my German vocabulary, heh which is opposite for most people at my level. OksanarateditlikeditJul03, I was worry at first time when I got redirected to the membership site. One person found this helpful 2 people found this helpful.
