## Fanciful definition and meaning | Collins English Dictionary

Never in over 50 years of working life have I seen the UK facing such an abject future, caused by the complete failure of our political.

Here we may pause to note that all unimaginative folk love the fanciful, the horrible, and the uncanny, which for them add a relish to life, just as people without.

Actually, right now, I genuinely don't want to change anything about my life. I used to dream about making a career as a musician -- I still play guitar and sing, but.

Mesmerizing aquatic backgrounds complete the decorative sea life tableaus. Bibliographical Note Fanciful Sea Life Coloring Book is a new work, first.

The practical portions, on the The Fanciful Life, are evidently the result of his The Fanciful Life professional experience, and are written with much sagacity, and in a far clearer style than the more pedantic chapters, in which he gives the somewhat fanciful theories of the Greeks. He demonstrated the rotation of the satellites of Jupiter round the planet, and gave rough predictions of their configurations, proved the rotation of the sun on its axis, established the general truth of the Copernican system as compared with that of Ptolemy, and fairly routed the fanciful dogmas of the philosophers.
