In America, the generation after Langdell continued his formalist project. He maintained the history of law had nothing to do with its practical application and was quoted as saying that "It is still too often said that English law can only be understood historically. Hardcoverpages. The s and s saw a flowering of critical legal histories, which sought to show how the doctrine which developed had been the product of contestation between rival interests. Doctrinal legal history of that sort fell out of favour in America by the mid century.
