Miss MacIntosh, My Darling by Marguerite Young

Long-winded wordy poems, story telling in verse, more bang for your buck, more clang, more cluck. An assortment of world-weary free verse, sometimes.

He was interviewed by Alison Croggona local writer and critic, who did quite a good job... although she did seem a little disconcerted by his ability to answer more than just the question put to him and she referred to her notes a little too. Some I do enjoy, such as the Internet based activities like my blog or just using sites like GoodReads. But more importantly, I have started to appreciate epic works as a form of media. Hey folks – guess what? And we cannot step outside of this language-determined world to order to establish whether or not it is an illusion, whether or not it is "truly real". Set in the fantasy world of Kyralia and specifically the city of Imardin where magic and magicians are an accepted part of society, the trilogy follows the adventures of a young slum dweller named Sonea. He can make the most ordinary of things seem extraordinary. As well as replacing can it succeed even as it fails? Any yet it is, in "reality", perfectly possible for both to be the case.
