They are less able to tolerate anything that is inconsistent with the intensely vital, life-giving energy of the other realm. The boy was crying in physical and deep emotional pain. It is as natural as breathing, as natural as sunlight. But if you give birth to a child, the child develops a life of its own. Although she is behind a semblance of normality, alcohol had become a permanent crutch. Even more so if they cause our fellow human beings injury... One more important fact you need to know. It was Emma who first told Mum about an article she'd read several years earlier in the Journal of the American Medical Association about voluntary refusal of food and drink as a means of bringing about death in the terminally ill. There are many ways to get. A Gallup poll found that about 5 percent of those surveyed had an NDE at some time during their lives.
