I agree the brand perception is a big issue for startups, and that is a clever and unique thing that YC could do to help. You would think a gesture like that would be seen as collaborative and team building. Maybewecravetheheadythrillofindependence.Justhowtodothisisoneques Even with that being the case finding a new job is a hassle and means you have an interruption in pay and insurance. Search CIO Blockchain solutions -- and disruption -- pondered at EmTech The gathering at EmTech explored whether blockchain solutions could give the world a new model of trust. Theeconomicsofinternet-scalesoftwarebusinessesmakethisharderthanc from Rewriting Life. In short, I completely disagree both by opinion and experience that any of those topics have "not being an IC" as a reasonable requirement.
