Infobase Publishing - Experimenting with Everyday Science Set, 6-Volumes

From the music that thumps through a listener's headphones to the strains of an orchestra tuning up for a performance, science plays a vital role.

But you can actually do some pretty mind-blowing, hands-on science experiments at home using stuff you probably have lying around the.

1 day to prepare, 14 days for the science project experiment. Material availability: Playing classical music beside the plant everyday will make it grow faster.

A motley collection of musicians have turned their attentions to science over contains numerous dreamy experiments in scientific speculation.
