This book has helped me move in that direction. There are no discussion topics on this book. As Dick Richards himself candidly points out, there is more than plenty of literature and seminars traversing the broad, overly worn leadership field.

By moving past the sterile Insert Tab-A into Slot-B mentality that underpins Finally, a comprehensive guide to financial technology! A brief list of resources interviewees and websites and an index complement the text. There's nothing you can't do! Without a box Submit to Film Festivals.
