No trivia or quizzes. I purposely approached it in this way intuiting that I might better understand the gravity of the circumstances and the people portrayed, and in this regard I believe the experience—the knowingness—was, in fact, more sharply defined. This is a book that should be read by all citizens of this country and Standard Operating Procedure: A War Story all countries who engage in war to remind us all just how distorted and tested the state of humanity can become when the umbrella of 'war' alters human behavior that at times only retrospection such as this book supplies unveils. I was talking to Rosner for I don't even know how many hours. Gourevitch wrote the book based on Errol Morris' movie. G68 Book English University of Wollongong. If you think you're going to gain some insight into why this torture happened, you're not, really.

Part of what I love about documentary is this idea that you can reinvent the form snapping, going absolute bat-shit crazy, is a possibility even
