Comments Excellent piece, and a good angle to consider when writing characters. We work with the world's most influential artists, chefs, writers and thinkers to produce innovative books on art, photography, Damn Good Man, architecture, fashion, food and travel, and illustrated books for children. To-day if a person is getting along fine - along come something like the depre Things have certainly changed a lot in forty years. According to this theory, men are less emotionally expressive than women because they have grown up understanding this as the norm, rather than because of an inherent and gender-wide impulse towards stoicism. I really liked Damn Good Man article!
