Great for teaching emotions We enjoyed reading this book.

Jeremy finally draws him a bus ticket out of town!

The writing and illustrations in this book are high quality and work well together.

A great book to read out loud - everyone wants a turn being the huffy, grumpy monster! Simple but profound and nicely nonviolent - and a good discussion starter for an anxious child.

If my paper copy didn't say I would think that was an error, because I'm positive of my favorite children's books. Get fast, free shipping with Amazon Prime.
