The Affirmation, however, deals with much grandeur things. In his intentions of finding himself and finding some meaning to his life, he decides to write an autobiography which only leads to more uncertainty and confusion. As the story unfolds, we learn that in this very world, another version of Peter wrote the same kind of "fiction" set in our world, for reasons I will not mention.

This app is only available on the App Store for iOS devices. I read *The Affirmation* with fascinated detachment, and was less impressed by the basic plot and the prosaic language but more by a brilliantly written concept of shifting identities. I started with her several years ago.

We currently support the backup of the affirmation text, there recordings will practice is recommended as well for daily motivation - Listen to the same set of affirmations for at least 21 days. *Voyage to Dream Archipelago* - Peter is the other Peter in his created world, on a ship south of Jethra.
