Sounds way too testosterone-inflated for my taste. The major 'minor' irritation arises from her priest detective's naive and misguided insistence on going where angels fear to tread. We're halfway through the trip and the book. In the bleak mid-winter First Lin
It's a ver Since I went counter to my rule of always reading a series in order, and read a later title of the series and liked it I decided to continue with the series from the beginning. Common Praise What they discover is a world of trouble, an attraction to each other—and murder
The story revolves around a former military pilot turned priest and a small town
have access to this FlexScore. What really bothered me about it was that, other than going to parish meetings, saying a few prayers here and there, and mentions of services she was officiating at, this priest had not the faintest evidence of any level of spirituality.
