This is a book built in the present time, and shows how other "beings" live among us and the dangers that one woman faces as she becomes more involved in their world. Ana's story made me laugh, cringe, and get teary eyed.

After three years she resigned the force to start a family and begin her work. It did have some romance in it, but the action and adventure overtook it. She does a great job blending the paranormal world with our own, and it was intriguing to see how Ana handles the. This was a great read!

There's mystery woven into every character. Plot and character twists and turns lead you through a mystical journey in this well written first instalment of this series, which will hook you instantly. She also ups the creepy factor with these evil, twisted little Fae who will make you shudder.
