Like many concepts in the book world, "series" is a somewhat fluid and contested notion. Contentious material about living persons that is unsourced or poorly sourced must be removed immediately especially if potentially libelous or harmful.

Rooney had told him to bring for dinosaur day.

Then one morning, Giff told her husband Jim, "I'm going to write a book. Douglas I thought it must be the most marvelous thing to make people dance across the pages. Bird wants nothing more in life than to be brave enough to be a healer, like her mother, Nory, to help her sister Annie find love, and to convince her brother, Hughie, to stop. But now with Drake sick in bed, Richard begins to worry.

His only hope is the magic ruler--but it's gone. And as usual, he has already forgotten. do you think Richard Best?
