Lists with This Book. A Philosophy of Piano Pedagogy.
Preview—Music as Discourse by Kofi Agawu. The book provides
extensive demonstration of the pertinence of a semiological
approach to understanding the fully-freighted language of
romantic music, stresses the importance of a generative
approach to tonal understanding, and provides further insight
into the analogy between music and language. Does it
communicate specific ideas and emotions?
This elegant and rich book needs to be lived with and digested. Physical
description vi, p. Hardcover pages.
