To set a reading intention, click through to any list item, and look for the panel on the left hand side:. Rome's creation of a distinctive imperial shape is understood in the context of the broader ancient Mediterranean world within which the Romans self-consciously situated themselves, and whose modes of thought they appropriated and transformed. Remember me on this computer. TheCultureofRomanImperialismSection: Classical, Early, and Medieval Poetry and Poets: Refine Your Search Author. AuthorsAffiliationsareattimeofprintpublication.It is useful to have a single account of this important instrument of Roman organization. There are some gaps; it is surprising not to see more in this account about the concept of exilium.
