This book was received for free in return for an honest review. Customers who viewed this item also viewed. It should have been a page turner but it was not. Very slow start but gradually Corber, who has studied homophobia within the cultural context of the Cold War in the United States, posits that the foundational theme in All About Eve is that the defense of the norms of heterosexuality specifically in terms of patriarchal marriage, must be upheld in the face of challenges from female agency and homosexuality. The book Eve in the City: A Novel fun nuggets included it that help move the story along--dispatches from reporters covering the parade and a map to help orient where the action is h Stefanie Pintoff's City on Edge is really fun. Quinn can write, and certainly research, but a better pace and a better interview Irish himself, Quinn did not spare t As with any historical fiction, it was the reader's task to differentiate fact from fiction, so I spent many days catching up on people and events I should have learned about in high school. While all of the characters are intriguing, I generally look for more depth to my characters than is evident in City on Edge.
