Iris Donker rated it liked it Mar 14, This in-depth look at a single case was supplemented with numerous references to other cases and rulings, and offered a first-hand, intimate examination of an important, touching, and fascinating case with huge legal implications. First, I have to say that I strongly disagree with other reviewers who said that Sullivan should have used more cases to make her point.

The author sees that unclear definitions of religion lead to discrepancies. The title should be at least 4 characters long. Religious Freedom in America.
