He does have a past and once you read about it then you realize why he is the way he is and I completely understand it. She has sworn off all tattooed bad boys just like Abel. I wouldn't expect any less coming from a naughty nurse and a sexy, muscled, tattooed fireman.

Maybe because Cara is more my type of person with her bitch attitude and hers snarls. He bury's himself in work and is determined to live life the best way he. There was also a good set up for the next book in the series. Who can resist that!?

Makes you want to put the book down and hunt yours significant other lmao!!! By the way Vincent's brother and Cara is best friends with Alexa.
