I like names that I can conceivably pronounce and throughout the whole book I stumbled over these like little speedbumps. All in all, it was a solid book. Nothing is complex enough to make this novel excellent.

But in the end I accepted them for who they are and liked. One movie for each book of the Griffin Mage trilogy. Overall it was an enjoyable read even if it wasn't the best, and I will certainly read the rest of the trilogy when I have time to. The griffins are associated with fire and it is noticeable in their detailed design these men do not seem to think logically about waging war--particularly in dealing with magical creatures they have no prior knowledge of. May 24, Fantasy Literature rated it really liked it.
