Nick doesn't know what to do when the hookup from the night before refuses to go away. I don't know if this author did this on purpose or if this is her "regular" writing style. The lead character is a light-hearted roll with it kind of guy. Another zany tale by Nicholas Bellon Damian Jarrenson. Though I'm normally not a fan of first person stories, his POV was enjoyable enough that I got past it. The lead character is a light-hearted roll with it kind of guy.

So within the story, we don't really know who they are, what their status is, the seconds after finding this out, the book ends. It just showcased exactly how self-involved Nick is that, as the narrator, he's comfortable choosing to end the book .
