It is an awakening. One may awaken to a new truth or a new realization.

The ultimate purpose is to make you aware of the different levels of consciousness.

So, to wrap up my answer to the book's critics, yes the style is challenging, but if that is allowed for, there are many different entry points to the text, and with patient reading, the great merit of the content can come. I would agree that there is a strong and unique style in the writing. There's a problem loading this menu right .
