In his will he left everything to Taylor, [] who took his body to New Jersey for burial. Do you think he really did do the right thing in preserving the life of Henry? Throughout his college years, Crane wrote, working as a freelance writer for his brother's news service, and it is thought that he wrote the preliminary sketch of *Maggie* while still at Syracuse University. *The Red Badge of Courage; Maggie*: Prolific throughout his short life, he wrote notable works in the Realist tradition as well as early examples of American Naturalism and Impressionism. Amazon Inspire Digital Educational Resources. Crane's work employs a narrative point of view that distinctively offers both an objective panorama of the war as well as the more subjective impressions of the young soldier. Stanley's famous quest to find the Scottish missionary David Livingstone in August. *The Whilomville Stories* were published, a collection of thirteen stories that Crane wrote during the last year of his life. Although Crane was confident among peers, strong negative reviews of the recently published *The Third Violet* were causing his literary reputation to dwindle.
